WHO ARE WE?

Padrón & Villalobos Consultores SC is a firm with more than 20 years of experience in the provision of accounting and tax services for companies of various industries and sizes, including advice and consulting during each process.

Our work philosophy is based on the profitability of your company, looking for the optimization of its financial operation through the experience and excellence of the values that motivate us.

Responsibility and professional discipline | Honesty, punctuality and confidentiality. | Order and cleanliness | Communication and team work | Vocation of service | Certainty and continuity in the service | Avoiding costs due to the erroneous interpretation of the fiscal dispositions.

A close-up photograph of a person's hand operating a silver and black calculator. The calculator is placed on a desk surface. In the background, there are some papers and a blue pen. The image has a semi-transparent dark blue overlay, and white text is centered over it.

We capture and keep up to date the accounting records of your company, ensuring the correct application of fiscal and accounting standards that allow a reliable and updated analysis of your finances, as well as growth projections.

- Capture of Policies
- Regularization and updating of accounting records
- Debugging of accounts
- Bank reconciliations
- Inventory control
- Monthly reports for local tax authorities (SAT)
- Issuance of financial statements and notes
- Financial analysis and interpretation
- Calculation of financial ratios
- Accounting and tax advice
- Tax returns
- Definition of policies and internal control
- SAT, IMSS procedures

We detect errors or flaws and bad practices through the analysis of your financial information, whether in tax, administrative or social security matters, seeking to improve internal controls and detection of irregularities.

- Audit of financial statements
- Forensic Audit (Fraud detection)
